## PRODUCT DESCRIPTION

Ridgemill Estate accommodation is nestled amongst the vines on a stunning 40 acre working property in the heart of the famous Granite Belt wine region. Ridgemill provides the opportunity to immerse yourself in true vineyard and winery life, an opportunity for authentic wine appreciation, spectacular views across the valley and nearby Girraween National Park ranges. This is perfect for couples seeking a getaway or just to escape and decompress! Equally suitable for groups who want to celebrate a special event or family/friends gathering.

Twelve intimate and contemporary, self-contained studio style cabins or three-bedroom winery escape house. As one of only a select number of guests find the serene, silent sleep of a country retreat and awake to your own private view of the sun rising over the estate's vineyard.

Enjoy one of the many niche spaces for picnicking or pull up a bean bag in our village green to take in the beautiful sunsets.

Nicely situated close to Stanthorpe makes ridgemill estate your choice to stay for ease of sightseeing and after a day exploring, relax by your wood fire with a cheese platter and bottle of wine at our 'happy place'.
